Dear Dr. Mobista Studio

I hope this message finds you well.

I recently came across your remarkable articles on ResearchGate and found them both insightful and impressive. Congratulations on your excellent work! I sincerely hope we can collaborate on research and publications in the future.

I am glad to let you know that our journals are preparing to launch their next issue, and there are **no publication fees** or other charges from the authors for publishing their papers.

In this regard, I would like to personally invite you to submit your unpublished manuscripts to any of our journals listed below:

1. Journal of Computer for Science and Mathematics Learning (https://spm-online.com/jcsml/)

2. Journal of Research in Mathematics, Science, and Technology Education (https://spm-online.com/jrmste/)

3. Journal of Education for Sustainable Development Studies (https://spm-online.com/jesds/)

4. Journal of Research in Education and Pedagogy (https://spm-online.com/jrep/)

5. Journal of Research in Environmental and Science Education (https://spm-online.com/jrese/)

I would be honored to consider your work, and I look forward to receiving your submission.

Thank you for your time and consideration.
